Do you have multiple students using Schoology?

You DO NOT need to create a separate account for additional students. Instead, you just need the other student's access code.

If you have multiple students, you can Add Child. You just enter their access code. Then they will appear as a choice in this menu.

The screenshot displays the CREC (Crescent Regional Education Center) dashboard. The top navigation bar is dark green with the CREC logo on the left and navigation links for COURSES, GROUPS, and RESOURCES in the center. On the right side of the navigation bar are icons for search, a grid view, a calendar, an email, and a notification bell. The user's name, Caine Schlenker, is displayed next to a dropdown arrow.

Below the navigation bar, there are two tabs: RECENT ACTIVITY and COURSE DASHBOARD. The RECENT ACTIVITY tab is selected. It shows a post from Nick Chanese at CREC Arts HS with the text "Good morning everyone! To make online learning feel a little more like being back at Academy, I've decided to provide hallway music! Click below to listen." Below the text is a video player showing a man speaking, with a play button icon in the bottom right corner. The video URL is <https://youtu.be/ObhFDJ2A2C0>. The post is dated "Today at 8:46 am" and has 63 likes.

A large teal arrow points from the video player area to the user menu on the right. The user menu is open, showing the following options:

- Caine Schlenker (with a green checkmark)
- Noah De La Cruz (CREC Arts HS)
- + Add Child
